

With the partnership of

Non Invasive Brain stimulation techniques (NIBS) for psychiatric disorders: First European Meeting

Friday 11th and Saturday 12th december 2015
Ghent, Belgium

Organised by Pr Chris Baeken (Belgium) and Pr Emmanuel Poulet (France)

THAGASTE GHENT - Academiestraat 1- 9000 Ghent

STEP is a section of the **afpbn** Association Française de Psychiatrie Biologique et Neuropsychopharmacologie

FRIDAY 11TH DECEMBER, 2015

12:30-01:30 ^{pm} Welcome (coffee and drinks, no lunch!)

01:30-02:00 ^{pm} **Introduction:** Dean Faculty Medicine University Ghent
G. Vanderstraeten (Belgium)

Part IA • Moderated by C. Baeken (Belgium) & E. Poulet (France)

02:00-02:45 ^{pm} **Current European guidelines for rTMS: focus on Psychiatry - Key note**
J.P. Lefaucheur (France)

Part IIA • Moderated by E. Haffen (France) & U. Palm (Germany)

02:45-03:15 ^{pm} **Major Depression: Current position of rTMS in the treatment algorithm for Major Depression: After or before ECT?**
P. Sienaert (Belgium) & K. Ebmeier (UK)

03:15-03:45 ^{pm} **NIBS in treatment resistant depression algorithms: how defining good candidates?**
B. Langguth (Germany)

03:45-04:15 ^{pm} **Network effects of (r)TMS: from theory to the clinic**
A. Sack (The Netherlands)

04:15-04:45 ^{pm} Coffee break and poster session

Part II B • Moderated by J. Horacek (Czech Republic) & R. Zaman (UK)

04:45-05:15 ^{pm} **Schizophrenia: Auditory Hallucinations: rTMS yes or no?**
A. Aleman (The Netherlands) & R. Jardri (France)

05:15-05:45 ^{pm} **Neuronavigation in clinical practice: useful or not?**
M. Arns (The Netherlands) & F. Rachid (Switzerland)

05:45-06:30 ^{pm} **Results of an intended European survey: debate on the practical aspects of rTMS in Europa**
ROUND TABLE moderated by F. Haesebaert & M. Bubrovsky (France)

06:30 ^{pm} **Cocktails and tapas parallel with the poster session**

*Best poster price for 200 € - Runners up 2 and 3 each 150 €.
The scientific committee will be the jury members.
The winner(s) will be rewarded with their price the following day.*

SATURDAY 12TH DECEMBER.

08:30-09:00 ^{am} Welcome coffee and cake

Part I • Moderated by B. Millet (France) - C. Bervoets (Belgium)

09:00-09:45 ^{am} **Communication TBC** - J. Downar (Canada)

09:45-10:30 ^{am} **rTMS from research to clinical practice** - B.M. Dell'Osso (Italy)

10:30-11:00 ^{am} Coffee break

Part II • Moderated by A. Aleman (The Netherlands) & J. Brunelin (France/Canada)

11:00 ^{am} -12:30 ^{pm} **Free communication sessions**

Interested European NIBS researchers and clinicians can propose a topic to orally present (15 mn : 10' + 5 Q/A). 6 communications will be selected by the scientific committee.

Those topics that were not chosen may be presented as a poster (after agreement of the committee).

12:30-02:00 ^{pm} Sandwich Lunch

Part III • Moderated by B. Langguth (Germany) & K. Ebmeier (UK)

02:00-02:30 ^{pm} **Modulation of executive functions by NIBS - Perspectives for targeted interventions**
C. Plewnia (Germany) - TBC

02:30-03:00 ^{pm} **TDCS for depressive disorders**
A. Brunoni (Brazil)

03:00-03:30 ^{pm} **NIBS in schizophrenia: State-of the art on neurobiological findings**
J. Horacek (Czech Republic)

Part IV • Moderated by C. Baeken (Belgium) & E. Poulet (France)

03:30-04:00 ^{pm} **Avenues of coordinated translational research on NIBS in Europe:
First experiences from a German multisite project**
F. Padberg (Germany)

04:00-05:00 ^{pm} **Towards a European network - ROUND TABLE**

05:00 ^{pm} **End of the meeting. Rounding up speech and farewell**
